

Sweet Loving

4x E-moll

You're so fine, always on my mind.
You're simply wonderful, looking a kind of heaven-send.
I'm glad as I can be.
It's no daydream anymore.
Shine on me love. Stay for a little lifetime from now on.

Anything that you desire, more than you ever need.
My heart is set on fire. I'm trying to give something sweet.
The whole globe or whatever, even an angel who's twice as
clever, could give the way like you give it to me.

2x Sweet loving ... sweet sweet loving ... sweet loving ... is up in the air.

To be with you, taking care of you, being aware of you, is freeing my
soul, too - is freeing my soul, too. I know you enjoy it. And so I do !
No doubt about it, I feel the energy taking me out of any blues.

Anything that you desire ... / The whole globe or whatever ...

2x Sweet loving ... sweet sweet loving ... sweet loving ... is up in the air.

As I saw you. I wanted you.
I needed love so much. As we almost all do.

4x Sweet loving ... sweet sweet loving ... sweet loving ... we can feel it
here.

I just want to share it all with you.
Sweet sweet loving.
